TROPIKA

Stain-proof Composite Decking

Description

The 25 year warranty and rich variegated colors of TROPIKA stain-proof composite decking can give your backyard the feel of a tropical destination without the hassle or ongoing maintenance. TROPIKA decking has an authentic embossed pattern for extra grip in wet conditions and a more realistic appearance. Made in the USA, TROPIKA is manufactured using a unique extrusion process resulting in a stronger, more reliable and more stable decking board which is then capped with some of the most durable polymer technology available. TROPIKA is the best quality, best value wood-plastic composite decking available.

Product Benefits

STAIN & FADE PROOF

TROPIKA composite decking is capped with a unique outer layer which is made from some of the most durable polymer technologies available making it impervious to stains and fading.

SECRET FIXING

TROPIKA composite decking's concealed fix hidden fastener system can be installed using standard wood-working tools providing fast, efficient installation and a screw-free deck.

HARDSHELL SURFACE

TROPIKA composite decking's hardshell surface is permanently fused to its composite core during the extrusion process unlike some alternatives which are a stuck on veneer.

ROT & PEST RESISTANT

TROPIKA composite decking is produced using a mixture of recycled and virgin materials which provides much greater stability and strength compared to 100% recycled products.

MORE REALISTIC

TROPIKA composite decking's finish combines rich colour variegation and embossment to provide an incredibly authentic hardwood deck with rich colour variation and a more realistic look.

WATER RESISTANT

TROPIKA composite decking's composite core is encapsulated in a cap-stock finish during the manufacturing process, allowing no opportunity for moisture ingress.

MAINTENANCE FREE

TROPIKA composite decking never requires any oiling, painting or coating over the life of the product. Furthermore it is incredibly easy to clean with a stiff broom and garden hose.

ENVIRONMENTALLY FRIENDLY

TROPIKA composite decking is backed by an industry leading 25 year warranty from the manufacturer in USA which covers structural performance, staining and fading.
